# Inspiring Derby 2017

## Welcome to Inspiring Derby Week 2017

This is the 22nd year of Inspiring Derby Week led by Derby City Council in partnership with organisations and businesses across the city. This year's event will be especially inspiring as Derby plays host to the 2017 Women's Cricket World Cup competition which the Labour administration has worked in partnership with Derbyshire County Cricket Club to secure. England will face India in the opening game of the ICC Women's World Cup 2017 in Derby on Saturday 24 June. There will be a pre-tournament celebration event for everyone on the Derby Market Place on Friday 23 June with music, games, food and drink. This will enable us to demonstrate that the city of Derby is a great place to live, work and enjoy sport to visitors from across the world.

There is also a wide range of activities throughout the week providing opportunity to develop new skills and learn more about Derby. Learning is a lifelong activity and there are a wide range of activities for people of all ages, most of which are free of charge.

Many thanks to our partner organisations who commit their time, resources and enthusiasm to ensure the week's activities are successful. I'm very proud of Derby and I want everyone to feel inspired by all that it has to offer.

## Heritage Lottery Fund Project

On Friday June 23rd an art exhibition will be held at St Peter's Church on St Peter's Street to celebrate the history of some of Derby's lesser known streets.

The streets highlighted in green are part of a multi-million pound Heritage Lottery Fund / Derby City Council regeneration scheme, and participants from Derby Adult Learning Service and Derby College have been invited to collaborate in the project.

They have been challenged to use archive material to artistically interpret these historic streets through textiles, pottery, ceramics, paintings, photography, drama and graphic design.

Their work will be on display at the gallery launch in St Peter's Church on 23 June from 6pm onwards. Members of the public are welcome to join us in celebrating the history of some of Derby's oldest streets.

## Singing for Health

---

Rycote Centre, Parker Street,  
Derby DE1 3HF  
10am - 12 noon

Singing has physical benefits because it is an aerobic activity that increases oxygenation in the blood stream and exercises major muscle groups in the upper body, even when sitting. Singing has psychological benefits because of its normally positive effect in reducing stress levels. Whilst taking part in group singing, the body releases endorphins which help create a sense of emotional well-being. Singing together increases our sense of community, belonging and shared endeavour. It's also great fun and no musical knowledge or previous experience is needed. Come and give it a try.

# Refugee Week

---

Refugee Week takes place every year across the world in the week around World Refugee Day, this year we will be celebrating between 19th and 25th June 2017.

In the UK, Refugee Week is a nationwide programme of arts, cultural and educational events that celebrate the contribution of refugees to the UK, and encourages a better understanding between communities.

Through Refugee Week we aim to provide an important opportunity for asylum seekers and refugees to be seen, listened to and valued.

This year's theme is "Different Pasts, Shared Futures" and we would like to invite you to celebrate events during Refugee Week in Derby, again organised by the City of Sanctuary Derby team.

There are many events to come along to, which can be found by visiting <https://derby.cityofsanctuary.org/> and searching under "latest news" or by Facebook [https://www.facebook.com/events/116067118926626/?active\\_tab=about](https://www.facebook.com/events/116067118926626/?active_tab=about).
