PURPOSE OF THE MODEL POLICY

Derby City Council believes that a fair, transparent and consistent pay policy which recognises and rewards its employees, is a key element in effective school improvement.

The pay scales in this model policy will be amended annually to reflect the outcome of the STRB process in relation to recommended pay increases.

Applications for progression to the Upper Pay Scale from September 2017 progression on the Main and Upper Pay Scales and pay determinations for new appointees taking up posts will, therefore, be carried out in accordance with the provisions of the 2017 School Teachers' Pay and Conditions Document.

The Council has agreed this Pay Policy for adoption by those employed in community schools and voluntary controlled schools where Derby City Council is the employer of staff at the school. This policy may be adopted by other schools where the governing body is the employer.

It is strongly recommended that schools and their governing bodies adopt the model policy outlined in this document. In doing so they should ensure that the name of the school is inserted. If the decisions are delegated to a committee, terms of reference and powers of delegation must be agreed by the full governing body and reviewed annually as must the policy itself.

Policy for determining pay in Schools

The Governing Body of Hardwick Primary School

Adopted this policy on 7th June 2018

1. INTRODUCTION

- 1.1 The Governing Body has agreed the following Pay Policy which applies to all teachers and support (Single Status) staff employed to work at the school.
- 1.2 Nothing in this Policy should be interpreted as contradicting or overriding the provisions of the School Teachers' Pay and Conditions Document ("STPCD") which currently applies and which is mandatory. The school will also adhere to the Council's job evaluation arrangements for support staff. The purpose of the Policy is to supplement the nationally agreed salary arrangements, clarifying, in particular, how areas of discretion are to be exercised by the school.
- 1.3 Governors will review this Policy annually, particularly where there are changes in the STPCD affecting areas of discretion to be exercised by the relevant body. Consultation with staff and recognised trade union representatives will be undertaken prior to any changes being adopted.
- 1.4 The Policy should be read in conjunction, as appropriate, with other human resources policies and procedures.
- 1.5 The school is committed to award a one percent pay uplift to all existing pay points and allowances and a 2% uplift across all Main Pay Range from September 2017.
- 1.6 The Governing Body has delegated full powers to the Pay Committee. This Committee is responsible for determining all pay matters in accordance with the Pay Policy, the school's Appointments' Procedure and the school's Appraisal Policy. The Governing Body, operating through this Committee, will ensure that discretionary pay elements are used in a fair, equitable and consistent manner. Annex 1 confirms the terms of reference of the Pay Committee.

2. PRINCIPLES AND OBJECTIVES

- 2.1 The school recognises the importance of developing a pay policy for all staff as a means of ensuring fairness for all staff and to demonstrate that they are valued equally and receive proper recognition for their work. Therefore, this Pay Policy will be reviewed annually in line with the STPCD.
- 2.2 In adopting this Policy the school's aim is to:
- (a) Maximise the quality of teaching and learning at the school.
 - (b) Demonstrate that all pay decisions are made in a consistent, fair and transparent way in compliance with all relevant legislation.
 - (c) Ensure that appropriate arrangements are made for staff to appeal against any pay decision affecting them personally, and for such appeals to be heard by a panel of governors whose members have not been involved previously in the decision against which an appeal is made.
 - (d) Enable the school to recognise and reward teachers appropriately for their contribution to the school.
- 2.3 The Pay Committee will ensure that every teacher's salary is reviewed annually, with effect from 1 September and no later than 31 October (except in the case of the Head teacher, which shall be by 31 December) each year. All teachers will be given a written statement setting out the salary and any other financial benefits to which they are entitled by that date. Any increase will be backdated to 1 September.
- 2.4 Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.
- 2.5 Where a pay determination leads or may lead to the start of a period of safeguarding, the Governing Body will give the required notification as soon as possible and no later than one month after the date of determination.

3. EQUALITIES LEGISLATION

- 3.1 The governing body will comply with the relevant legislation including:
- Employment Relations Act 1999
 - Equality Act 2010/2012

11.7 Before making any TLR3 payment, the Governing Body must be satisfied that the responsibilities meet a, b and d of the above criteria; that they are being awarded for clearly time limited school improvement projects or externally driven responsibilities and that the responsibilities are not a permanent or structural requirement which should instead be rewarded by means of a permanent TLR payment.

11.8 Where the Governing Body wishes to make TLR3 payments, the proposed responsibilities, level of payment and the duration of payment will be set out clearly and subject to consultation with the union representatives in the school, to ensure agreement is reached on the payment and that the TLR3 criteria are met.

26. AUTHORISING AND PAYING FOR WORKING ADDITIONAL HOURS

- 26.1 The total number of hours of work for all support staff will be determined at the time of appointment. It is with the prior agreement of the Head teacher that staff work additional hours.
- 26.2 Additional hours worked in excess of 37 hours per week by employees at SCP27 and below will be paid at an enhanced hourly rate of time and a quarter.
- 26.3 Employees graded above SCP27 will be granted time off in lieu for additional hours worked in excess of 37 per week.
- 26.4 Time off in lieu can only be taken during an employee's contracted hours and will be agreed by the Head teacher.
- 26.5 Employees who act up in a post at a higher grade will be paid at the minimum point of the grade for that post.

27. CHANGE OF DUTIES OVER TIME

Where the duties of a post change significantly over time, the school, will seek to review the grading. This will follow a review of the job description and JIQ, in conjunction with the post holder. The school will seek the advice from an HR Advisor.

28. RETIREMENT

The provisions of the Local Government Pension Scheme ("LGPS") apply in relation to "normal" and "early retirement", in considering all cases for early retirement the school will seek advice from an HR Advisor.

PART THREE – APPEAL ARRANGEMENTS

29. APPEAL ARRANGEMENTS

- 29.1 Any employee dissatisfied with any pay decision affecting them made in accordance with this Pay Policy may appeal and seek a review of that decision.
- 29.2 If, when an employee receives written confirmation of their pay determination, s/he is not satisfied then s/he should seek to resolve this by discussing the matter informally with the Head teacher, within ten working days of the decision being received in writing.
- 29.3 Where this is not possible or the employee continues to be dissatisfied, s/he may follow a formal process.
- 29.4 The employee should set down in writing the grounds for questioning the pay decision and the remedy being sought and send it to the Head teacher, within ten working days of written notification of the outcome of the discussion referred to above.
- 29.5 Taking account of the need to circulate relevant documentation the Head teacher should arrange a hearing normally within ten working days of receipt of the written grounds for questioning the pay decision. The employee will be given the opportunity to make representations in person. Following the hearing the employee should be informed in writing of the decision, the reasons for the decision and the right to appeal.
- 29.6 Any appeal should be heard by a panel of three governors who were not involved in the original determination normally within twenty working days of the receipt of the written appeal notification. The employee will be given the opportunity to make representations in person. The decision of the appeal panel will be given in writing, normally within five working days. Where the appeal is rejected the letter will include a note of the evidence considered and the reasons for the decision.
- 29.7 The employee is entitled to attend the meeting of the appeals panel and has the right to be accompanied and represented at any such meeting by a trade union representative, friend or work colleague.
- 29.8 The decision of the Appeal Panel is final.
- 29.9 Advice from an HR Adviser should be sought if the appeal relates to the grading of the post.
- 29.10 There will be no entitlement to invoke the appeal procedure in relation to a pay decision if the teacher has left the employment of the school. Where a teacher has lodged an appeal whilst employed at the school but then subsequently left the employment of the school before the appeal hearing has taken place, then a modified procedure will be followed:
- The teacher must have set out the grounds of their appeal
 - A copy of the appeal must have been sent to the Chair of Governors
 - The Chair of Governors will consult with the Head teacher and other relevant staff and then provide the teacher with a written response on behalf of the school.

Appendix 1

Suggested Terms of Reference for the Pay Committee

The Pay Committee membership will be: *(minimum of 3 governors)*

The Head teacher will attend in an advisory capacity and will withdraw when his/her salary is under consideration. The relevant person must withdraw where there is a conflict of interest or any doubt about his/her ability to act impartially.

The terms of reference for the Pay Committee will be determined from time to time by the Governing Body. The current terms of reference are:

- To implement the Pay Policy in a fair and objective manner and to consider any individual representations that may be made in respect of pay decisions;
- To undertake an annual pay review for each member of staff based on the criteria set out in the Pay Policy with effect from 1 September;
- To observe all statutory and contractual obligations, including making arrangements to notify pay decisions to individual members of staff within appropriate timescales;
- To minute clearly the reasons for all decisions and report these decisions to the next meeting of the full governing body;
- To recommend to the governing body the annual budget required for pay purposes, including provision for discretionary pay advancement arising from performance reviews;
- To keep informed of relevant developments including legislation and statutory guidance affecting the Pay Policy and to review and to recommend changes or modification to the governing body, as appropriate and at least annually;
- To work with the Head in ensuring that the governing body complies with the Appraisal Regulations 2012 for teachers;
- To carry out the performance review of the Head teacher;
- To work with the Senior School Improvement Officer.

Governors will review this Policy annually, particularly where there are changes in the STPCD affecting areas of discretion to be exercised by the relevant body. Consultation with staff and recognised trade union representatives will be undertaken prior to any changes being adopted.

In the case of new appointments to the teaching staff, decisions on starting salary will be delegated to the Head teacher or Selection Panel as appropriate.

In the case of a new Head teacher appointment, the full Governing Body will determine the salary range however the determination of the starting salary will be made by the Selection Panel under their delegated powers.

Appendix 2

Arrangements for Head Teacher's Responsible and Accountable for More Than One School

For Permanent Arrangements

There may be circumstances where a Head teacher is appointed permanently to be responsible and accountable for more than one school, for example where the schools are part of a hard federation with a single governing body. The remuneration in these cases should be based on the calculation of the total number of pupil units across all schools, giving a group size for the federation. The governing body should then determine the Head teacher's range and appropriate starting point in accordance with the STPCD.

For Temporary Appointments

There may be circumstances where a Head teacher is appointed on a temporary basis to be responsible and accountable for more than one school, for example where it is not possible to appoint a Deputy Head or another member of the teaching staff to take on the position of Acting Head where there is a vacancy in the post of Head teacher.

This role should be regarded as an Acting Headship on a temporary basis for as long as arrangements are being made for a permanent Head teacher to be recruited or to make alternative permanent arrangements for example, amalgamating schools or creating a hard federation.

There is an expectation that these temporary arrangements should be time limited, subject to regular review and the maximum duration should be no longer than two years.

Remuneration

The Governing Body may determine that payments be made to a head teacher for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined. In each case the governing body must not have previously taken such reason or circumstance into account when determining the head teacher's pay range. The total sum of the temporary payments made to a head teacher in any school year must not exceed 25% of the annual salary which is otherwise payable to the head teacher, and the total sum of salary and other payments made to a head teacher must not exceed 25% above the maximum of the Head teacher group.

The total sum of all the payments made to a Head teacher in any school year must not exceed 25% of the amount of the Head teacher's point on the leadership group spine other than in wholly exceptional circumstances, where the payments have been approved by the full Governing Body after receiving external independent advice.

Working Arrangements

The governing body of the schools concerned, need to establish clarity around how the arrangements will work in practice and how they will be brought to an end.

The Head teacher is appointed in all the schools in the arrangement and accordingly must be issued a fixed term variation to contract. This will specify that the Head teacher, in addition to their substantive post, is for a fixed period employed additionally as Head of the additional school(s). At the end of the fixed term variation the Head teacher will revert to their substantive post and salary – safeguarding will not apply.

Under collaboration regulations the governing body may arrange for a joint committee made up of governors from all the schools involved to be established to oversee the fixed term arrangements. The joint committee should have delegated power to deal with the pay and performance management of the Head teacher and other relevant staffing issues. The joint committee should also take account of the circumstances of each school and the workload implications including the extent to which the Head teacher is likely to be absent from the individual schools. Any discretionary payments made should take account of the full responsibilities of the post.

Workload

Any workload issues for the Head teacher and additional responsibilities for other staff should be addressed including their remuneration, for example use of acting allowances and temporary payments.

Extended Services

The Local Authority may approach a school to see if the Head teacher and governing body would be willing to take responsibility for the provision of a range of extended services on their site for children and young people from the area.

If the Head teacher and governing body agrees to take on significant additional responsibility, for which the Head teacher is directly accountable to the LA, and the Head teacher is permanently appointed as Head teacher of that school, then the governing body has the discretion to take this into account when setting the Head teacher's pay range. Any salary uplift should be proportionate to the level of responsibility and accountability being undertaken.

However, where a Head has an 'interest in' the quality of a service that is co-located on the school's site, for example, a speech therapy centre that helps the development of young people within the school or across a number of schools, but is not responsible or accountable for that service, this is part of a Head teacher's core responsibilities, and would therefore not be taken into account when setting the Head teacher's pay range.
