

## Children will:

### Keep our school rules

Our school code is displayed around school and in each classroom, and we refer to them with children often to reinforce understanding. We review them each year with the children:

**C**are for each other and our school

**A**lways try our best

**R**emember our manners

**E**njoy learning

Each class has its own rules which are displayed in each classroom. We make sure that children understand them. We use positive language and keep them simple.
