1. **Statement and Aims**

Educational achievement and subsequent life chances for looked after and previously-LAC are of real concern. Pupils who are looked after require special treatment and additional attention in order to improve their situation.

At Hardwick Primary School, we endeavour to provide positive experiences and offer stability, safety, and individual care and attention, for all our pupils. With this in mind, we aim to:

- Encourage pupils to reach their potential and to make good progress in relation to their personal, social and emotional development.
- Ensure that pupils enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for LAC realistically and use the school's resources efficiently in order to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help pupils develop their cultural, moral and social understanding.
- Ensure that carers and social workers are kept fully informed of their child's progress and attainment.
- Ensure that pupils are involved, where practicable, in decisions affecting their future provision.

2. Who are Looked After Children and previously Looked After Children?

LAC are defined as:

- Children or young people who are the subject of a Care Order or Interim Care Order under the Children Act 1989.
- Children who are placed in foster care, children's residential homes, with relatives or friends, in semi-independent or supported independent accommodation.
- Children subject to a Care or Interim Care Order whilst placed with a parent, as the LA has parental responsibility.
- Children who are not subject to an order, but are accommodated by the LA under an agreement with their parents.

The term '**in care**' refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 - they may live with foster carers, in a Children's home, in a residential school, with relatives or with parents under supervision. Children who are cared for on a voluntary basis are '**accommodated**' by the local authority under section 20 of the Children Act – they may live in foster care, in a Children's home or in a residential school. All these groups are said to be '**Looked After Children**' -LAC. They may be looked after by our local authority or may be in the care of another authority but living in ours.

Previously-LAC are defined as:

- Children no longer looked after by an LA in England and Wales because they are the subject of an adoption, special guardianship or child arrangements order.
- Children who were adopted outside England and Wales from 'state care' (care that is provided by a public authority, religious organisation, or other organisation whose main purpose is to benefit society).

3. Roles and Responsibilities

The **governing board** is responsible for:

 - Care arrangements and the levels of authority delegated to the carer by the LA.
- Ensuring that staff have the skills, knowledge and understanding to keep LAC and previously-LAC safe.
- Ensuring LAC and previously-LAC have equal access to all areas of the curriculum and that reasonable adjustments are made, if necessary.
- Reviewing the annual report produced by the designated teacher to evaluate the progress of LAC in the school.
- Ensuring they receive feedback from the headteacher and/or designated teacher regarding the effectiveness of the policy on an annual basis.

The **virtual school head (VSH)** is responsible for:

- Monitoring the attendance and educational progress of the children their authority looks after; this includes children who have left care through adoption, special guardianship or child arrangement orders, or who were adopted from state care outside of England and Wales.
- Ensuring that arrangements are in place to improve the education and outcomes of the authority's LAC, including those placed out-of-authority.

The Designated Teacher will know who are all the LAC in school and will have access to their relevant contact details including parents, carers and social worker. The Designated Teacher will also know about any LAC from other authorities. It is important that the school flags LAC status appropriately in the school's information systems so that information is readily available as required.

The **DSL** is responsible for:

- Keeping up-to-date records of LAC's respective social worker and Virtual School Head
- Where a child ceases to be looked after and becomes a care leaver, keeping up-to-date contact details of their LA personal advisor and liaising with the advisor as necessary regarding any issues of concern affecting the care leaver.

The **SENCO** is responsible for:

- Ensuring they are involved in reviewing PEP and care plans for LAC and previously-LAC.
- Liaising with the class teacher, designated teacher, specialists and parents when considering interventions to support the progress of previously-LAC.

- Liaising with the Designated Teacher where a LAC or previously-LAC is experiencing difficulties

4. Personal education plans (PEPs)

All LAC must have a care plan; PEPs are an integral part of their care plan. PEPs are not statutory for previously-LAC and the school will consider how to record any necessary additional support.

- The PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential.
- The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.
- The school will work with other professionals and the child's carers to use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.
- All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.
- The PEP will address the pupil's full range of education and development needs, including:
 - Access to nursery provision that is appropriate to the child's age.
 - On-going catch-up support, which will be made available for children who have fallen behind with work.
 - Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.
 - Transitional support where needed, such as if a child is moving to a new school.
 - School attendance and behaviour support, where appropriate.
 - Support to help the child meet their aspirations, which includes:

- Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
- Careers advice, guidance and financial information about FE, training and employment, that focusses on the child's strengths, capabilities and the outcomes they want to achieve.
- Out-of-school hours learning activities, study support and leisure interests.

5. **Working with agencies and the VSH**

- The school will ensure that copies of all relevant reports are forwarded to the LAC social workers, in addition to carers or residential social workers.
- The school will coordinate their review meetings; for example, holding ePEP reviews alongside LAC reviews.
- The school will work with other agencies to exchange information such as changes in circumstances, exclusions or attendance issues.
- Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.
- The designated teacher for LAC and previously-LAC will communicate with the VSH and child's social worker to facilitate the completion of the PEP.
- Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay.
- The designated teacher will communicate with the VSH and apply for pupil premium plus funding (PP+) where needed to meet specific outcomes (PP+).
- PP+ for previously-LAC will be allocated directly to, and managed by, the school.
- The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of LAC, or previously-LAC, and according to their needs.
- If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.
- The designated teacher will ensure consistent and strong communication with the VSH regarding LAC who are absent without authorisation.
- The school will share their expertise on what works in supporting the education of LAC and previously-LAC.

6. **Pupil mental health**

LAC and previously-LAC are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. Designated teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.

Looked After Children (LAC) Policy

The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on LAC and previously-LAC, and knows how to access further assessment and support, where necessary.

To measure the emotional and behavioural difficulties experienced by LAC and previously-LAC, a Strengths and Difficulties Questionnaire will be used if felt necessary during PEP reviews to help social workers and other relevant professionals to form a view about LAC's emotional wellbeing. Teachers will complete their element of the questionnaire to assist social workers in their assessment.

7. **Exclusions**

- Past experiences of LAC and previously-LAC will be considered when designing and implementing the school's behavioural policy.
- The school will have regard to the DfE's statutory guidance 'Exclusions from maintained schools, academies and pupil referral units in England' and, as far as possible, avoid excluding any LAC.
- Where the school has concerns about a child's behaviour, the VSH will be informed at the earliest opportunity.
- Exclusion will only be considered as a last resort; where exclusion is considered, the school will work with the VSH, and others, to consider what additional support can be provided to prevent exclusion, and any additional arrangements that can be made to support the pupil's education in the event of exclusion.
- The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.

8. **Pupils with SEND**

Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews.

The SENCO, class teacher, designated teacher and specialists will involve parents when considering interventions to support their child's progress. If appropriate, the VSH will be invited to comment on proposed SEND provision for previously-LAC.

9. **Information sharing**

Appropriate and specific arrangements for sharing reliable data are in place to ensure that the education needs of LAC and previously-LAC are understood and met.

The designated teacher and named contacts from the safeguarding team ensure that information is appropriately and regularly shared with the carers, social workers, virtual school and parents (as appropriate).

Passwords are in place to securely transfer attendance data via Welfare Call (used by the Virtual School in Derby).

The secure online Welfare Call portal for creating electronic PEPs (ePEPs) will be used to securely share information on LAC children's progress, views, needs, challenges and targets with social workers and the virtual school.
